# Bai Jamjuree

Bai Jamjuree is a contemporary sans-serif that combines geometric balance with subtle humanist details. Inspired by Thai traffic and public signage, it offers clarity, rhythm, and versatility across both Latin and Thai scripts. With open counters, clean strokes, and a wide range of weights, Bai Jamjuree is designed for modern digital interfaces while remaining grounded in functional, timeless aesthetics.

META-TI

A large, stylized version of the logo, rendered in white on a white background. The logo is composed of thick, geometric shapes: a central vertical bar with a small square at the top, and two diagonal bars that meet at the top. A registered trademark symbol (®) is located to the upper right of the logo.
